

Citizens Committee to Elect
BOB CLYDE

Senatorial District 22

Wasatch
Duchesne
Summit
Rich

Dear Fellow American:

Think seriously for a minute, about your obligation to BECOME INVOLVED in restoring responsible legislative Government to the State of Utah.

Like most thoughtful Utahns; you believe that we cannot afford to have the present trend of bigger government, smaller people continue. But this conviction is not enough to win elections. We must plan and carry forth a strong, aggressive, informative, and constructive campaign. Such a program requires substantial sums of money for brochures, bumper strips, posters, envelopes, postage, newspaper advertising, telephone calls, photography expenses, travel expenses (Rich to Duchesne Counties), etc.

If we can elect Bob Clyde to the State Senate, he will be replacing two Democratic Senators who are presently supporting and promoting the Johnson-Rampton Democratic philosophy, John Lambert and Gordon Harmston.

One of the ways that you can BECOME INVOLVED in promoting better and more responsible government is to contribute to Bob's campaign. Your contribution will help provide a financial base which will enable us to conduct a successful campaign.

We are asking for a contribution of \$10.00 (more if you can afford it and less if you cannot). A self addressed, stamped envelope is enclosed for your convenience. Please make your check payable to Bob Clyde for Senator Committee.

We are looking for help from our interested friends.

Sincerely,

J.S. J.N.
